Dear Dr. Kumarasinghe,

Decision of the ERC IOBSL

The Ethical Review Committee of the Institute of Biology Sri Lanka (ERC IOBSL) at a meeting held on the 21st September 2016, decided to grant approval for your research project titled "**Study of biochemical parameters and their association with sociodemographic and biological characteristics of Sri Lankan Traditional Medicinal treatment method on chronic kidney disease of unknown origin patients living in Kebithigollewa**".

The approval of the Ethical Review Committee is valid only for the proposed duration from the date of this letter. Please note that this research project has to be completed within the proposed time frame and no changes should be made to the research project approved by the ERCIOBSL. If any change is required further approval of the IOBSL should be sought.

Thank you

Prof. M J S Wijeyaratne
Chairman ERC IOBSL
