Sub: Statement from supervisor – National SORT IT OR course – 2018

Dear course coordinator,

I support the application of ...Dr Abhijit Dey.... for National SORT IT OR course – 2018 conducted by The Union South East Asia office, New Delhi, India. If selected, he/she will be granted permission to attend all three modules of the course (Module 1: 20-25 August 2018; Module 2: 27-31 August 2018; and Module 3: February 2019), have time and opportunity to carry out and publish operational research (with applicant being the first author) and adhere to all the course milestones and timelines on his/her return to the project /disease-control programme / health institution.

I understand that this is a training programme and the course will not provide any funds for conduct of the research.
