

Table 5. Concentration indices by maternal health variables, by Survey year 2007 and 2013-2014, and by regions Western-Eastern Congo																
All selected Variables	2007				2013/14				Western Congo				Eastern Congo			
	Group 0 = Eastern Congo	Group 1 = Western Congo	Socioeconomic inequality in the health variable	Statistically significance between the 2 groups in the socioeconomic inequality	Group 0 = Eastern Congo	Group 1 = Western Congo	Socioeconomic inequality in the health variable	Statistically significance between the 2 groups in the socioeconomic inequality	CI	PeriodSurvey = 0 (2013/2014)	PeriodSurvey =1 (2007)	Test for Stat. Significant Differences	CI	PeriodSurvey =0 (2013/2014)	PeriodSurvey =1 (2007)	Test for Stat. Significant Differences
