

PERSONAL RESUME

• Personal information

Name : Tao Bai **Telephone:** 13453188475

Professional : Thermal Engineering

Email : hdbaitao@126.com

• Education background

2001.09-2005.07	North China Electric Power University	
	Thermal Power Engineering	Undergraduate
2005.09-2008.04	North China Electric Power University	
	Engineering thermal physics	Master
2008.09-2014.04	North China Electric Power University	
	Thermal Engineering	Doctor's degree

• Work Experience

2014.04-2014.11	Technical Administrator
China Coal Pingshuo Group Electric Power Management Department	
2014.12-2019.12	Lecturer
Department of Power Engineering, Shanxi University	

• Recent publications

1. Tao Bai, Zhiping Jin. Thermodynamic analysis of condensation water saving and waste heat recovery of coal-fired flue gas [J] . Journal of Power Engineering, 2022,42(10) : 978-985.
2. English for thermal and power engineering (4th edition) , China Electric Power Education Press, 2017, ed.
3. Foundation of thermal engineering and Fluid Mechanics, 2nd edition, China Water Conservancy and Hydropower Press, 2018, ed.
