Withdrawn: A Ensemble Deep Learning Method for Vehicle Type Classification on Visual Traffic Surveillance Sensors

Wei Liu , Miaohui Zhang * , Zhiming Luo , Yuanzheng Cai

Posted Date: 11 September 2017

Withdrawn Date: 18 September 2017

Preprints.org is a free multidisciplinary platform providing preprint service that is dedicated to making early versions of research outputs permanently available and citable. Preprints posted at Preprints.org appear in Web of Science, Crossref, Google Scholar, Scilit, Europe PMC, OpenAlex.

Copyright: This open access article is published under a Creative Commons CC BY 4.0 license, which permit the free download, distribution, and reuse, provided that the author and preprint are cited in any reuse.
