Mailbox: 15735513848@163.com

Address: No. 92 Wucheng Road, Taiyuan, Shanxi, P.R. China

Educational background

Shanxi University - New Energy Science and
Engineering - Bachelor degree

2017.09-2021.06

academic major: Heat transfer, thermodynamics, fluid chemistry, photovoltaics, etc.

Shanxi University - engineer and power - Graduate student

2022.09-Present

Research direction: Mainly engaged in biochar adsorption of organic macromolecules.

Student Experience

Shanxi Guojin Coal Power Co. , Ltd.

Participate in the project:

Study on carbon capture system of coal-fired power plant assisted by solar energy

Work experience

Assistant Professor of University physics experiment 2023.09

Content: Responsible for assisting teachers to carry out experimental teaching,

including experimental guidance, tour inspection, experimental equipment arrangement,
experimental records, experimental equipment warranty, to

assist teachers to correct the experimental report to determine the experimental
results.

Certificate of Honor

Honor: The University of Shanxi three good students, postgraduate scholarship

Certificate: Mandarin two Grade A, college English four
