HEALTH RESEARCH ETHICAL CLEARANCE CERTIFICATE: REVOLUTIONIZING PARASITIC INFECTION DIAGNOSIS IN NORTHERN NIGERIA

Name of Investigators : Y. S. El-Sunais Sani / Dr. N.C. Eberemu
Address : Federal University Dutsin-ma, Katsina State.
Date of Receipt of Valid Application : 22/05/2023
Date of Approval : 01/06/2023

This letter serves to notify you that the research outlined in the submitted protocol, as well as the consent forms and accompanying materials for participants, have undergone thorough review and received Expedited Approval from the Health Research Ethics Committee, endorsed by the Honorable Minister of Health and Social Welfare.

Please be advised that this approval is valid from **01/06/2023 to 01/06/2024**. It is imperative that no participant recruitment for this research takes place beyond these specified dates.

Furthermore, all informed consent forms associated with this study must prominently display the assigned HREC number (**FMOH/ADM/SUB/1152/1/728**) and the approved duration specified by the committee. Should there be any delay in commencing the research, prompt notification to the committee is required to facilitate necessary adjustments to the approved time frame.

It is crucial to note that no modifications to the research are permissible without obtaining prior approval from the committee. Additionally, the committee reserves the right to conduct compliance assessments of your research without prior notification.

Your cooperation in adhering to these guidelines is greatly appreciated. Should there be any concerns, please promptly inform the committee for appropriate resolution.

Dr. Mu'awiyya Abu
Chairman HREC
